BOOTH 560

A great line of utility boxes

Make a point of visiting us when you're at the show! You'll see the best line of precision-built utility boxes you could possibly stock. Check their point-by-point superiority. Liberty boxes all have the Cantilever tray . . . all are one-piece drawn construction of highest quality steel throughout! For reliable service, for quality merchandise, for quick repeat business from satisfied customers—make your utility box line the *Liberty* line.
